Foundation Supporters**

When the Founders of the Spartan Foundation and Golf Tournament first organized back in 1990, the thinking was that this event would have a “shelf life” of about five to ten years. No one really expected it to be an annual occurrence some 32 years later.

This year we are expecting a similar turnout. Register early is our advice and we will try to accommodate everyone but, with limited space, it will be on a first come first served basis.

The use of online registration last year was quite successful, so we are offering it again this year. You will find registration materials at spartanfoundation.com For those who choose to register by mail, you can use the form included on this brochure - please print legibly and include your contact information.

Please register through the mail or online as soon as possible. If we need to make any changes in our plans, we will let you know. Therefore, it is essential that you provide us either your phone number or email (or both) so that we can reach you if necessary. We assure you your contact information will not be shared with any other persons or organizations.

We are looking forward to seeing you on June 17th. If you have any questions, please let us know.
